Why Granite Home Loans?

Established in 2018, Granite Home Loans is for brokers. By providing innovative SMSF, NDIS, Easy Refinance and Lender Paid LMI products, through our partnerships we offer innovative home loan solutions at competitive rates.

Granite delivers across each step of the home loan journey, providing personalised services, tailored products, and support from a well-respected team of mortgage lending experts and credit analysts to ensure every loan is handled with expert care from enquiry to settlement.

SMSF residential & commercial

Our market leading SMSF product increases your client's borrowing potential, requiring only a minimum 10% deposit for residential and commercial property. This means your client can keep more of their funds, or place them in the optional offset account for quick access later on.
