

Offset account available

No annual loan review

No liquidity or net asset requirement burden

SMSF easy refinance option available

Brokers build brighter futures for their clients.

Granite is built to provide brokers with competitive, innovative, and niche products.

Making Granite the rock-solid choice for brokers.

SMSF - Residential & Commercial

Our market-leading SMSF product increases your client's borrowing potential by requiring only a minimum deposit of 10% for residential properties and 20% for commercial properties. Additionally, we offer an optional offset account - plus there is no net asset or ongoing liquidity threshold requirement, allowing your clients to maximize their investments without the burden of extra paperwork or time-consuming obligations.
