No genuine savings required

Brokers **build** brighter **futures** for their clients.

Granite is **built** to provide brokers with **competitive, innovative, and niche** products.

Making Granite the **rock-solid** choice for **brokers**.

# Professional Lender paid LMI

Homeownership can seem unattainable for many. Exorbitant property prices and high establishment costs can make saving for a deposit difficult. Instead of involving friends and family through guarantor loans, we focus on empowering individuals. Our professional products don't require genuine savings if the borrower meets our criteria.

We are looking to back people who have studied hard and have great careers ahead of them.
