By signing below, I/we understand and agree that:

- a fee of \$495.00 will be deducted at settlement for each loan application where a Fixed Rate interest rate lock-in is requested;
- the interest rate will only be locked in once Origin MMS, on behalf of Granite, receives the completed Fixed Rate Lock-in form and is conditional on your loan application being approved;
- if Origin MMS, on behalf of Granite, accepts this request, the interest rate will be locked in for 90 days from the start date (date on which we receive this Rate Lock In Request);

- if the settlement date of my/our loan is no later than 90 days from the start date, the interest rate that will apply to my/our fixed rate loan will be the lower of the locked in rate or the Granite fixed rate applicable on the settlement date;
- if the settlement date for the loan does not occur within 90 days of the start date, the interest rate that will apply to my/our loan will be the Granite Fixed Rate on the settlement date;
- the Rate Lock In fee is non-refundable;
- Origin MMS reserves the right to not accept this request, including if your application form was not submitted on or before the start date.

WARNING: You may have to pay fees if you repay your loan early. Significant fees (called 'break costs') may be payable if you repay all or part of a fixed rate loan early, or you make additional payments of \$20,000 or more in an anniversary year, or you ask us to change your loan type or fixed interest period. Break costs may be substantial, particularly if market interest rates have reduced during the fixed rate period. Ask us for an estimate of break costs before you arrange to repay a fixed rate loan early. Any additional payments or advanced funds are not available for redraw during the fixed terms. You will receive Terms and Conditions with your Loan Agreement which will have additional details.
