

## Updated Simpology Dashboard – Applying Filters

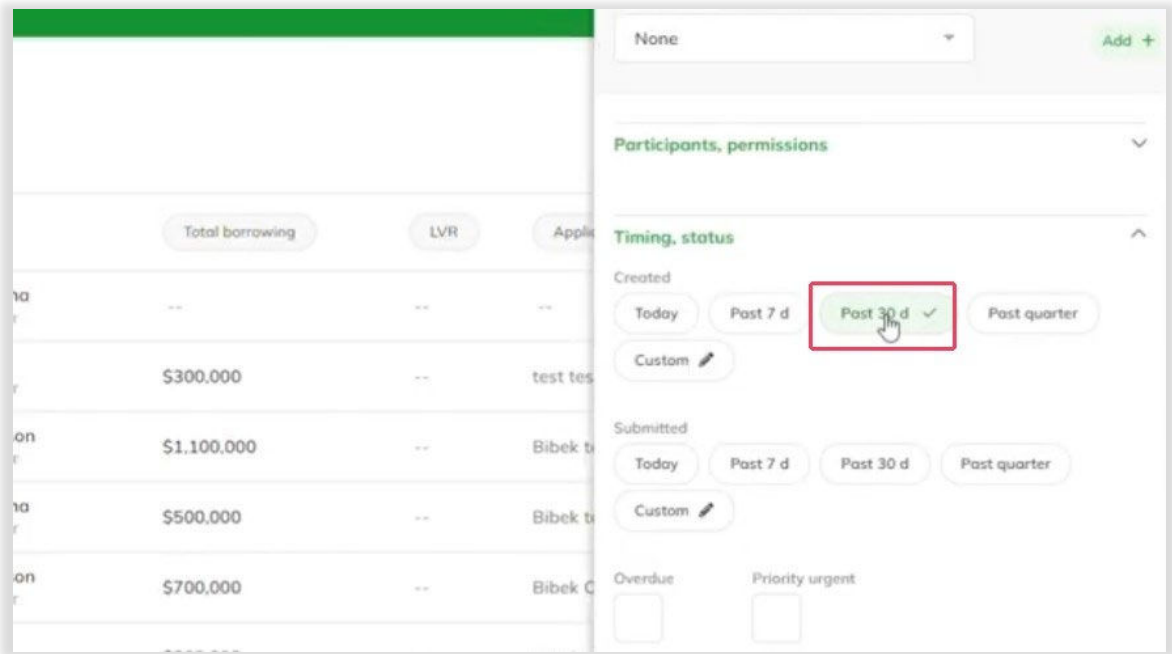

1. In this guide, we'll have a look at **applying filters**. To further refine your dashboard. You can use a filter tool to drill into specific data.

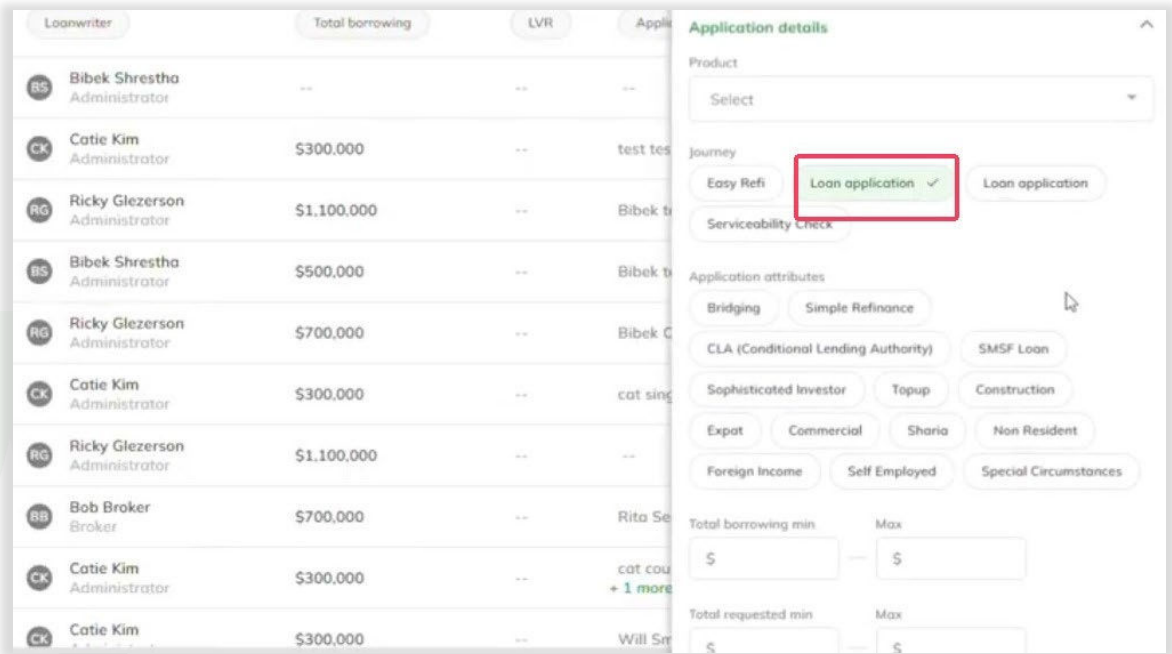

2. By default your options are organised into categories, to help you find what you need quickly.  
Select **Filter** to set your filter

3. For this example, let's view applications created within the **past 30 days**.

4. We will also select Loan application for Journey.  
Select **Apply Filter**

5. The dashboard will update to display the filtered results.
